

# Planning Ahead

A GIFT OF LOVE FOR YOUR FAMILY

---

Planning your own final arrangements may seem like a difficult subject, but it is truly one of the most thoughtful gifts you can give your family. By making your wishes known and taking care of details now, you spare your loved ones from having to make difficult decisions during an already emotional time.

# Why Plan Ahead?

## **For your family:**

- Removes the burden of guessing what you would have wanted
- Prevents family disagreements about arrangements
- Allows them to focus on grieving and supporting each other
- Ensures your wishes are honored exactly as you want
- Provides peace of mind during a difficult time

## **For yourself:**

- Locks in today's prices, protecting against inflation
- Allows you to make decisions thoughtfully, without time pressure
- Gives you control over how you'll be remembered
- Can be done gradually, on your own timeline
- Provides peace of mind knowing it's taken care of

# What to Consider

## **Burial or Cremation?**

Consider what aligns with your beliefs, preferences, and family traditions:
